

Birch Run Township

8411 Main St.
Birch Run, Michigan 48415

RESOLUTION 87-4

The Birch Run Township Board by motion of Dorr
supported by Scharrer does hereby resolve to make
the following requests of its planning commission:

That a public hearing be held on increasing the
minimum square footage of single family dwellings in
the township

That a public hearing be held on increasing the
minimum width of single family dwellings in the township

That a public hearing be held and a definition of
front building line be added to the zoning ordinance.

That the zoning ordinance and related map be studied to
determine if the current zonings of properties at the
I-75 interchange and village boundaries meet current
needs.

That the zoning ordinance and related map be studied to
determine if adequate space exists for multiple family
housing and if it exists in appropriate locations.
