

Park Board Meeting

March 11, 1980

Present: Gary Hutchinson, Tom McNamara, Bill Revett,
Carolyn Trinklein
Absent: Jerry Horan

Meeting was called to order at 7:00p.m. by Gary Hutchinson. Minutes of the Jan. meeting were read by Carolyn Trinklein and approved by all present.

In the treasury report, given by Tom McNamara, it was stated that we now have \$477.96 in the treasury. A bill to the amount of \$52.51 was received but has not been paid as of this meeting. This bill was from Cinsumer's Power.

Old Business:

Tom McNamara reported that if we purchased new picnic tables the money would come from the Township. But, after talking to Mr. Larry Courtney this money would more than likely not be received since the tables have been repeatedly stolen.

Bill Revett renewed his offer to plant new trees in the park to replace dead ones. This would be done as soon as the weather is favorable.

A priority list was set up by the board. Improvements that will or are suggested to be done for the park include the following. 1. Gary Hutchinson will contact Don Compton about making sure the Backstops for the tennis courts are put up. 2. The problem with picnic tables must be taken care of. 3. Gary Hutchinson will repair ground by the ice rink damaged by car tires. 4. At our next meeting a safety check will be made on all playground equipment.

New Business:

Carolyn Trinklein will contact the high school wood shop instructor about having some of his students make new picnic tables for us. The Board will pay for all supplies and the students would receive recognition for their effort.

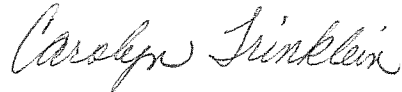

It was suggested that if and when we do receive new picnic tables they should have identification of belonging to the Birch Run Park Board.

On March 12 the Saginaw County Health Department would like us to send a representative to one of their seminars. At this meeting plans for promoting "National Health Week" will be discussed. However, because of the

inopportune time of this meeting (1p.m.) no one is available to attend.

Bill Revett made a motion to adjourn and the motion was seconded by Tom McNamara. Meeting was adjourned at 8:05 p.m.

Respectfully submitted,
