Birch Run Community Park Board

April 29, 1987

The regular April Park Board Meeting was called to order at 3 p.m. Present were Ed McNamara, president; Marcia Strong, secretary; and Tom Strong.

Secretary will contact school, twp. board, and village council in regards to next year's appointees. She will also contact village council and suggest that the joint meeting be dispensed with. The slate of officers can be approved by both bodies separately and the park report accepted separately.

Annual repairs needed were discussed. President and secretary will see that they are completed.

Capital outlay for 1987 was discussed. Sewer and water connections will cost nearly \$7,000 of the \$15,000 allocated for 87-88. Parking lot estimate was \$23,000 and handicap walks were \$2,300. It was decided to do the excavating and stone work for the lot this year for a cost of \$6100 and to do the rest in a future year. The handicap walks will also have to be postponed.

Tennis courts repair work was also discussed. Secretary will try to find someone who can repair them.

Meeting adjourned at 3:45. Next regular meeting is May 27 at 7 p.m.

Marcia Strong, secretary
