The meeting opened with the reading of the September minutes by Secretary Colleen Dunning. The financial report was not given on the account that Treasurer Don Bailer was not present.

Ken Savage reported that he would be attending a court session on November 28, 1978 concerning the theft of the tennis court meters.

The restrooms for the park were winterized by the first part of October, in the event that usage of the park declines around this time of year.

It was made known that Schmitzer Hardware would be taking the timers off of the Tennis courts in the near future. Also a second parking lot would be made available for those using the skating rink. The skating rink would soon be made ready for the winter season.
