

RESOLUTION NUMBER 2002-05

A RESOLUTION SUPPORTING A PROPOSAL TO THE SAGINAW COUNTY
ROAD COMMISSION PERTAINING TO DEHMEL ROAD

WHEREAS, Dehmel Road between Highway M-46 and Birch Run Road is heavily traveled thoroughfare; and

WHEREAS, the citizens of the Township of Birch Run use Dehmel Road for access to Highway M-46 on the north and Birch Run Road on the south which leads to the I-75 Interchange in Birch Run; and

WHEREAS, the condition of Dehmel Road south of Frankenmuth is in very poor condition; and

WHEREAS, most of Dehmel Road is currently a County local road which limits the amount of funding available for maintenance and repairs; and

WHEREAS, designation as a County Primary Road would increase the amount of County Road Commission funding that could potentially be available for future maintenance and repairs; now, therefore,

BE IT RESOLVED BY THE TOWNSHIP OF BIRCH RUN, that:

The Township hereby supports a proposal to petition the Saginaw County Road Commission to designate Dehmel Road between Highway M-46 and Birch Run Road as County Primary Road
