

Park Board Meeting

March 19, 1979

Present: Ken Savage, John Fierstien, Brian Ferguson, Jerry Horan, Don Bailer, Colleen Dunning

Absent: Walt Zuellig, Herb Haubenstricker, Ken Hobson

At the opening of the meeting, the November minutes were read and accepted by everyone present.

Don Bailer then read the treasury report. Consumer Power bills of \$36.82, \$5.10, \$17.67, \$14.43 were paid for the months since our last meeting in November. We also received gifts of \$112.50 from the exit for the park lights. The Birch Run Athletic Association presented the board with a \$300.00 gift, and another gift of \$120.00 was received by the County of Saginaw. The current balance now stands at \$951.61.

It was decided that the tennis court timer would be put in the first part of May. The lights will go on from dusk and stay on until one o'clock. John Fierstien made a motion to accept this decision and Brian Ferguson sec'd it and it was accepted by all.

Brian Ferguson reported that Glen Chrysler was in need of new brackets for his baseball bases. Brian said he knew where they could be bought for minimum price, and so this was okayed. Glen Chrysler would install the brackets and bases himself.

The scheduling for the useage of the park was reported to be set up quite full for the summer. Also the new scoreboard for the baseball season will be put up by the J.C's very soon.

The next meeting, which is scheduled fo April 16th, will be held at the Township Hall for 7:30. This meeting will be a time for welcoming the new Park Board Members that will be serving on it for the next few years, or year.

With nowfurther business, Don Bailer made a motion to adjourn the meeting and this was supported by John Fierstien and then accepted by all.

Secretary,

Colleen Dunning
