

SPECIAL MEETING
November 12, 1987
BOARD OF APPEALS

The meeting was called to order at 8:03 p.m. by Cliff White. Members present were Carol Post, Don Bailer, Harold Scharrer and Don Bailer.

Jim Reed, code officer, Marcia Strong and Michael Haley were also present.

Dorr indicated that he will not vote on the issue since he owns adjacent property, but he will participate in the discussion.

Application for variance was read. Legal notice has been published in paper. (Saginaw News Nov. 7)

Discussion: Marcia Strong in favor. Lots too narrow to build otherwise. Lots are 100 ft, plotted previous to 1970 zoning ordinance which required 150 ft lots in that zone.

Motion by Bailer, seconded by Post that we grant this variance to the applicant. Motion carried with four affirmative and one abstaining (Jim Dorr). Motion carried.

Discussion of code officer's request for interpretation of zoning ordinance Sec. 202 (3) whether parent includes grandparent. The board interprets the code Sec 202 (3) as not including grandparent.

Motion to refer the question of including grandparents in the definition of aged parent to planning commission. Motion by Post, supported by Dorr. Motion carried.

Motion to adjourn at 8:35 by Bailer, supported by Dorr. Motion carried.
