March 21, 1984
Meeting

Present: Gary Hutchinson, Frank Holes, Ed McNamara, Pam Garfield, and Mr. Wayne Moss, representing the Men's Softball League.

Frank is to present the prices for the two dug-outs and the fence repair around the 2nd week of April, after the school's fence is looked at by Stevenson. Also he will check on reinforcements for the middle of the fence to prevent it from sagging.

We are trying to keep the cost of dug-outs and the fence to a minimum so we can make repairs around the pavilion. Repairs from Consumer's are to run \$13.00 per hour and be paid for by the men's and women's softball teams. A curfew was placed on the Park, but it will not affect the team's playing times. Now, the Park is open 24 hours because the Village feels that the Chief of Police should not be solely responsible for opening and closing the gates. A sign should be placed at the entrance, stating the opening and closing hours and can be paid for by the Park.

\$61.04 to Consumer's Power

\$15.00 to Tom Daniels - for plowing the ice rink

Next meeting is scheduled for Wednesday, April 18, 1984 at 7:30p.m. at the Park pavilion.
