

SPECIAL MEETING MARCH 21, 1988

Members Present: Alvin Block, Tim Courtney, Margot Knoll,  
Gene Palmreuter, Connie Reed. *Trinklein*  
Absent: Ken Hauck

In the absence of any officer, but majority of members present, it was necessary to appoint a temporary chairman to conduct the business of electing officers.

Meeting commenced at 7:39 p.m.

Reed nominated Courtney for temporary chairman, second by Trinklein. Motion carried. He appointed Knoll acting secretary.

Courtney opened nominations for chairman of the planning commission. M. Knoll nominated Courtney for permanent chairman, seconded by Reed. Vote was unanimous. It was also necessary to appoint a vice chairman. This position had been vacan~~y~~ since the resignation of Gary Hutchinson. Trinklein nominated Knoll for vice-chairman, seconded by Block. Vote was unanimous.

Minutes were read from January 25 meeting. Moved by Block, seconded by Reed to accept minutes as read.

The legal notice presented by Gilbert and Betty Kern to request a variance to build a building on the front part of their property located at 9520 Busch Road was discussed. Commission felt it was in violation of section 306 (1A). Also that perhaps the number of feet involved (25) were ~~too many~~ *were not enough*. Perhaps there was some other place more suited for the building.

Commission would like to have Jon Mersman, county planning director, come to one of our regular meetings. Tim Courtney will try to contact him. Either April 11 or May 23 were dates suggested.

Members are to be studying areas suitable for multiple family housing.

Reed moved for adjournment, supported by Block. Meeting adjourned at 8:32 p.m.

Marg Knoll, acting secretary
