

REGULAR MEETING APRIL 4, 1990

The regular meeting was called to order by Chairman Harold Scharrer at 7:35 p.m.. Members present were Cliff White, Tim Courtney, Joanne Strahm, Carol Post and Harold Scharrer.

Minutes of the previous meetings were read and approved with correction of 3-1-90 meeting minutes being signed by Carol Post rather than Harold Scharrer. Motion by White supported by Courtney. Motion carried.

There was no unfinished business to discuss.

Courtney explained that the planning commission would hold a public hearing on several changes in the zoning ordinance on June 4 and that board of appeals members would eventually receive new pages for their copies of the zoning ordinance.

He also explained that since he does contract work for the village who contracts with the township that he could no longer serve as the planning commission representative to the board of appeals. The zoning ordinance is being changed to conform with most other municipalities and require that a member not the chairman of the planning commission also serve on the board of appeals.

Manager gave update on Kern case.

Motion to adjourn by White supported by Courtney at 8:05 p.m. Motion carried.

Carol Post, secretary  
Birch Run Township Board of Appeals
