

**BIRCH RUN TOWNSHIP PARK ADVISORY COMMITTEE
APRIL 7, 2011**

The meeting was called to order at 6:00pm. Present for the committee were Lisa Kiessling, Amy Cook, and Dr. April Carroll.

The committee met with the PFY and they are willing to donate money and help with the scheduling conflict. Kelly Haggart is going to approach the PFY about a donation and getting the schedules to the committee. The committee informed him that we wanted to purchase diamond dust for the ball fields and he agreed that it is needed.

The committee needs to check to see if high school kids/RV hosts that are working for the township is covered under the Township's Workman's Comp.

Jessica at the Chamber of Commerce has indicated to April that she will help promote and advertise any fundraising that we choose to do.

The committee will look into permission for concessions at the park during PFY games.

Letters will be sent out to local churches to see if there is an interest in leagues renting the diamonds for games. This could help increase funds for the park.
