Ken Savage informed the board that Glen Krisler would like to use the ball diamond four nights a week for league ball.

A proposal was read from Spicer Engineering for our 1977-78 project to complete the park.

It was suggested we eliminate security lights on parking lot No. 1. Ken Hobson suggested a shuffleboard, other suggestions- ice skating rink, basketball courts.

Jackie Tanner requested use of the tennis courts for league play 1 or 2 nights.
